

Win a Smile Makeover of a Lifetime! **#giveaway #damondiva**

by Jennifer Sikora

I was provided a complete smile makeover from Ormco and Damon Braces. We were compensated throughout this campaign, however all opinions remain my own.

Here I am in my 11 month of wearing braces, and I cannot begin to tell you what a difference it has made in how I view myself. I was a person that kept my smile hidden because I thought it was ugly, and I had this notion that I would never have a beautiful smile, because adults didn't wear braces. Boy was I ever wrong!

Never in a million years did I think I would be able to smile and be proud of what I was seeing. It's so hard now to get me to hide my grin. I still have a few months to go according to my orthodontist, but he is super excited and keeps telling me my life will never be the same again after I complete my entire treatment.

Now — I'm going to be smiling even more when I get to share this amazing surprise giveaway with you!

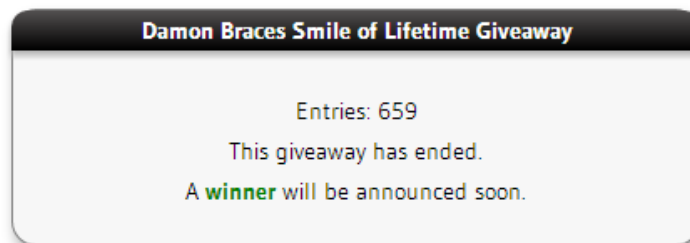

One of our readers is going to get a chance to win a smile makeover too worth \$8,000!
